DAY FITTINGLY OBSERVED HERE

Flags Appear, Holiday Hours Followed, Public and Private Affairs Mark Annual Observance of Washington's Birthday.

Washington's Birthday was given more general observance as a holiday by Gettysburg folk this year than for a long while and the occasion was fittingly celebrated in a number of places.

Last year February 22 fell on Sunday and the year before on Saturday, so that the holiday was not observed by the business places of town. This year, however, a number of the stores were closed the entire day while some places of business discontinued their activities at noon. The post office observed holiday hours and the banks were closed all day.

The public schools of town held a short session this morning until half past ten o'clock and the pupils were then excused for the remainder of the day. The singing of "America" was a feature of the short session and the children were not allowed to forget the reason for their holiday.

Gettysburg College took an entire holiday and many of the students were absent. The lower classes especially were depleted as their members went home on Friday and Saturday for what they converted into a three days' recess.

Citizens generally observed the day in a quiet way. There are a number of social events scheduled for this evening in which appropriate decorations of flags, hatchets and cherries will be features. The Stars and Stripes floated from not a few homes to-day while the patriotic orders and public buildings were well decorated with their large flags.

The annual colonial tea of Gettysburg Chapter, Daughters of the American Revolution, is being held this evening in the Stallsmith Building. The rooms have been appropriately decorated with flags and bunting while the beautifully appointed tables are presided over by Mrs. Walter H. O'Neal, Mrs. J. L. Butt, Mrs. W. A. Granville and Mrs. Helen Keith. The supper is being served by Mrs. C. N. Gitt, Miss Anna Gilliland, Miss Mary Kohler, Miss Martha Neely, Miss Lillian Crawford, Miss Louise Stahl, Miss Frances McClean and Miss Helen Musselman. The cake table is in charge of Mrs. R. S. Kirby and Mrs. J. Elmer Musselman. The entertainment to be given this evening in the Court House under the auspices of the two local patriotic orders promises to be largely attended. An extensive program of addresses, recitations, and songs, is announced and it is believed that this closing feature of the day will draw a large audience.

WORKERS MEET

Adams and Two Other Counties were Represented.

At the Tri-County Sunday School Institute for Cumberland, Adams and Franklin counties, which was held in Carlisle Friday afternoon and evening, excellent progress was made in the clearing up of some perplexing problems confronting the Sunday School. Two sessions were conducted between which the first annual informal Sunday School banquet was held.

The institute was in charge of the state officers, Mrs. M. J. Baldwin, state elementary superintendent; Rev. C. A. Oliver, teacher training superintendent, and B. S. Forsythe, temperance superintendent.

SERIOUS AUTO ACCIDENT SUNDAY

Break Horse's Leg in Collision Near Abbottstown. Car Said to Have been Speeding. Drive away Promising to Return.

A team driven by Gruver Emig, twenty-one years old, fireman at the Thomasville Stone and Lime company's plant, and a son of Reuben Emig, was struck by an automobile near Abbottstown at 5:30 p. m. Saturday. The buggy was damaged and a hind leg of the horse broken.

The occupants of the automobile, said by witnesses of the accident to have been speeding, proceeded on their way without inquiring as to whether Emig was injured. The number of the auto license is said to be Pennsylvania No. 11,596.

Emig was driving south on the road from Spangler's school house and was about to go on the pike. The team driven by Dr. E. S. Stambaugh coming around the curve obstructed Emig's view. The automobile did not sound a warning, it is said, and as Emig went on the pike his team was struck and dragged a distance of 20 feet. Emig remained in the buggy and was not injured.

The automobile, 50 feet farther along the pike, ran into the picket fence surrounding the Martin property, carrying away a number of pickets. The occupants of the machine told the Martins that they would be back to adjust the damage and then hurried on toward Gettysburg. The horse belonging to Mr. Emig is valued at \$200. It was removed to the barn of W. A. Wagner, constable, and veterinarians were summoned. The fractured bone was reset and an effort will be made to save its life.

MR. JOHNSTON'S FIND

Family Testament of John L. Burns Found by Lecturer.

Those interested in Civil War lore were agreeably surprised a few days ago, says the Philadelphia Public Ledger, when the family Bible of John L. Burns, the "hero of the battle of Gettysburg," was discovered by a representative of John White Johnston, of Rochester, N. Y., who recently donated three tablets to the Presbyterian church here.

The Burns family Bible is of interest, in that it corrects the Burns monument in the cemetery at Gettysburg and also establishes the error of many books and historical writings as to the age of Burns at the time of the battle. The Bible records other hitherto unknown facts about the life of the "Old Scot."

Mr. Johnston said that the book would probably go to the Harvard College Library.

93 SPRINGS

That Many Found Near Graeffenburg Inn by Forester.

In compliance with a department order, all the springs on the mountain reserve about Caledonia will be marked by Forester Conklin with their names, their location being shown by roadway signs and distinct paths. This work is now having Mr. Conklin's attention, being advanced by a force of rangers. As a result of this work Forester Conklin has located 93 flowing and never failing springs with but few exceptions these being within a radiating distance of seven miles from Graeffenburg Inn. Each of these springs has a permanent flow, being only little if any affected in volume by seasons of drought.

TWO MORE KEPT WEDDING SECRET

Miss Knouse, of Arendtsville, and Mr. Carbaugh of Biglerville, were Married in Virginia Six Months ago. Announcement now.

Announcement is made to-day of the marriage of Miss Anna Ruth Knouse, of Arendtsville, and Lee O. Carbaugh, of Biglerville, which took place at Alexandria, Virginia, on August 24th last.

The bride is a daughter of Mr. and Mrs. John A. Knouse, of Arendtsville, and taught for a number of years in the public schools of Adams County. For the past two years she has been employed in Lancaster as book-keeper and stenographer for a large business firm of that city.

Mr. Carbaugh is a son of Mr. and Mrs. Carl Carbaugh, of Biglerville. He was graduated from Gettysburg College in 1913 and is now a student in the middle class at the Reformed Theological Seminary, Lancaster. Mr. and Mrs. Carbaugh will continue to reside in that city for the present.

The announcement of the wedding is a surprise to the many friends of both bride and bridegroom in the upper end of the county, and also in Gettysburg where they are well known. They were very successful in keeping quiet the news of their marriage until they saw fit to make the formal announcement.

CHILDREN FIND BLAZE

Barn Destroyed by Fire Near Abbottstown.

The barn of Harvey Kohr, about two miles from Abbottstown, burned to the ground Sunday afternoon between 12 and 1 o'clock. It is supposed that children playing around the barn started the fire, although the exact cause is not known. The loss is between \$1,500 and \$1,800, and is partly covered by insurance.

The children playing around the barn were the first to notice the fire, as one of the girls went to the house and called her father, John Stambaugh, the tenant, telling him that the barn was ablaze.

Several corn fodder shocks and a large amount of straw and hay were burned, also a binder. Mr. Kohr had not yet taken possession of the farm, which he purchased from John Dick, executor of the estate. No stock was lost, except a few chickens that were supposed to have been in the barn.

HOME TALENT PLAY

Arendtsville Amateurs Give Successful Entertainment.

The citizens of Arendtsville and vicinity were treated to a most enjoyable entertainment on Saturday evening in the way of a home talent play, entitled "The Turn of the Tide". There was good music, both instrumental and vocal. Miss Edna Culp presided at the organ. The whole thing was very much appreciated by quite a large audience. The young people did their work exceptionally well.

The cast of characters included George Raffensperger, Harvey Raffensperger, Wilson Raffensperger, Kieffer Raffensperger, John Rice, Myron Knouse, Earl Miller, Bess Raffensperger, Myrna Comfort, Annie Carey, and Lola Wiernan.

KNIGHTS PLEDGE TRUE ALLEGIANCE

Hear of Ideals of Knights of Old and then Agree to Help Make their Own Town Better. Feature of Revival Service at Biglerville.

An unusual turn was given the revival services in the Lutheran church at Biglerville Saturday evening when all the Knights of the Golden Eagle, who were specially invited to be present, gave their pledge to Rev. C. F. Floto, pastor of the church to unite with him to stamp out the evil in their community. When a general call was given for all who wanted to come forward and signify their intention to help in this work, more than a hundred pledged themselves.

The church has a capacity of about 500 and it was crowded from wall to wall, every available place being taken. A special choir of fifty voices under the direction of Prof. Ira Mummert, of the Biglerville schools, led the singing and made the church resound with songs of praise.

In his sermon to the Knights, Rev. Mr. Floto, after explaining the life that the knights of the Middle Ages led, and the principles for which they lived and died, said that the time had come for all to take the stand of these knights against all forms of evil, and to help carry on the work of the church. He asked that the people of Biglerville, and especially the Knights of the Golden Eagle, who are the fathers and leaders in the community, to unite with him and "to put on the armour of the Lord, and help to stamp out the works of the devil". It was after this plea that all the Knights of the Golden Eagle gave the minister their hand that they would help him, and endeavor to follow in the footsteps of the ancient knights who stood for chivalry and right.

There is much rejoicing over the success of the meetings. The Sunday School has seen unexpected growth. Sunday morning the highest previous attendance was broken, there were twelve more in the Sunday School than ever before. On Sunday morning the pastor preached to a well filled church on "The Friendship of Christ". At the close a short time was given over to testimonials.

Sunday night another well crowded house listened to the sermon on "Sin". The text was "A soul that sinneth, it shall die". The interest is increasing at every meeting. Sunday evening twenty decisions were made. After a largely attended communion service in the Methodist church Sunday morning two more persons announced that they had made decisions for the better life, and in the afternoon, at the meeting of the Junior League and Junior Church, five more were reached. This evening at 7:30 there will be another of the successful "help meetings."

The service in the Gettysburg United Brethren church Sunday evening was well attended, about one hundred lodge members being included in the audience. The singing of "Onward Christian Soldiers" was specially inspiring. The subject of Rev. Mr. Glen's sermon this evening will be "No Man Careth for My Soul."

SOPHOMORE PLAY

Junior Prom Guests Enjoyed Saturday Evening Event.

The closing feature of Junior Week at college was the rendition of the Sophomore play, "Husbands on Approval" in Brua Chapel Saturday evening. A very appreciative audience received the play with enthusiasm. Included in the cast were three Gettysburgians, Miss Marie Bentz, Miss Dorothy Zane, and William Duncan, all of whom acquitted themselves most creditably.

HOGS AFFECTED

Mouth Disease Among Swine in York County.

The entire herd of stock, consisting of cattle, swine and sheep on the farm of James McDowell, near Dal-lastown, was quarantined Saturday on account of hoof and mouth disease discovered to be existing among the swine. Condemnation will be withheld for several days when, should the diagnosis be confirmed, the stock will be appraised and killed. There are 83 head of swine, eleven sheep, three cows and four head of steers in the herd. The disease was confined to the swine alone upon the inspection and it is believed that it was taken to the farm by several of them which were taken from York.

AMERICAN SHIP SUNK BY MINE

Evelyn, Bound For Bremen, Hit Explosive in North Sea.

CREW OF 27 MEN RESCUED

Transport Carrying British Troops and Accompanying Vessel Reported Destroyed by German Submarine.

Berlin, via London, Feb. 22.—The American steamer Evelyn, which sailed from New York on Jan. 29 with a cargo of cotton for Bremen, struck a mine off Borkum Island, in the North Sea. The vessel sank. Her captain and twenty-seven of her crew were saved. It has not been learned of what nationality was the mine which destroyed the Evelyn.

The report of the sinking of a British transport with troops and the accompanying steamer, reached Berlin too late for comment by the morning papers.

All of the papers, however, feature the report in first page headlines, together with reports of the sinking of other vessels by submarines or mines.

Near Neuport an enemy ship, probably a mine-searching vessel, touched a mine and sank. Destroyers of the enemy disappeared when shelled.

The Evelyn is the first American vessel to meet with disaster as a result of the sea warfare of the European nations. She did not sink within the war zone included in the German admiralty's decree of Feb. 4, which went into effect on Thursday. Borkum Island lies directly off the German coast, at the mouth of the Ems river, and in German territory.

The Evelyn was a single screw steel steamship and was commanded by Captain Smith. She belonged to A. H. Bull & Company, of New York and was chartered by the Harbors Irish Cotton company to take a cargo of cotton to Bremen. She was 252 feet long and 1185 tons net. She was built in Southampton, Eng., in 1883. Her home port was Philadelphia.

Irish Ship Sunk by German Submarine
London, Feb. 22.—The small Irish coasting steamer Downshire was sunk by a German submarine off Cal of Man, an island in the Irish sea.

The Germans gave the crew five minutes in which to leave their ship. The crew landed at Dunder, County Down, Ireland.

The submarine which sank the Downshire was the U-12. The Germans fired three shots at the vessel before her captain gave up. After the crew of the Downshire had taken to the boats the Germans placed a bomb amidships of the vessel and exploded it and the Downshire sank in a few minutes.

Evelyn's Cargo Insured by U. S.
New York, Feb. 22.—The Evelyn, sunk in the North sea by a mine, was owned by the firm of Harbors, Irish & Voce, of this city, and was carrying cotton to the firm's agents in Bremen, William L. Harbors, of the firm, said.

Mr. Harbors estimated that there were about 5500 bales of cotton on board the Evelyn, valued at approximately \$350,000. The cargo was insured by the owners with the government, he said.

SHELL ITALIAN SHIPS

Two Austrian Torpedo Boats Fire on Fishing Vessels Near Antivari.

Barl, Italy, Feb. 22.—The fishing boat Gesu arrived from Antivari, Montenegro, and the members of her crew said that the Gesu and the fishing boat Saturno, when flying Italian flags, had been fired upon by two Austrian torpedo boats.

This report has caused the greatest excitement in Rome. Members of the crew of the Gesu said that the vessel was anchored near Antivari, with the Saturno, when the Austrian torpedo boats approached. The captains of the fishing vessels ordered their crews to land and at the same time hoisted Italian flags.

The Austrians, according to this report, fired on the crews and then on the vessels, while Austrian aeroplanes dropped bombs.

No one on either of the vessels was injured, but the Saturno was damaged so badly that she was unable to sail for home.

Dispatches from Rome say that a general fight in which many persons were wounded occurred at a meeting called by the parties favorable to Italy remaining neutral in the war and those desiring the government to intervene, at which it was intended that speakers should give the respective views of the parties.

Russia Drops Case Against Gorky.
Petrograd, Feb. 22.—The prosecution instituted against Maxim Gorky, the author, several years ago for his Socialistic anti-government propaganda, which necessitated his self exile for several years, has been abandoned definitely.

U. S. Ship Lands Cotton at Bremen.
Amsterdam, Feb. 22.—The American steamer J. L. Luckenbach, which left Boston on Jan. 27 with a cargo of cotton and wool for Bremen, arrived at the latter port.

ALLIES BOMBARDING DARDANELLE FORTS

Turkish Stronghold Crumbling Before Attack.

London, Feb. 22.—Pounding away at the forts on both sides of the Dardanelles with all their enormous weight of metal, a fleet of thirty-two British and French warships, supported by an air fleet, is forcing the passage of the Dardanelles, the opening of which will give Russia her long sought southern port and bring the allies to the water gates of Constantinople, from which the population is reported already fleeing in fear.

The fire of the warships has been so effective that it has become safe for them to stand close enough in to the forts to bring their secondary batteries to bear.

The latest dispatches say that the nearer Turkish forts on the Asiatic side have been destroyed, a powder magazine in one of them being blown up, but that the forts on the European side are still able to reply to the cannonade.

The Anglo-French fleet is under the command of Vice Admiral Sackville Hamilton Carden, who flies his flag on board the battle cruiser Indefatigable, of 17,250 tons and eight 12-inch guns.

\$5000 FOR DR. STOUGH

Given to Evangelist For Seven Weeks' Services in Altoona.

Altoona, Pa., Feb. 22.—Approximately \$5000 was raised for Dr. Henry W. Stough, the evangelist, at three big meetings here yesterday—remuneration day.

It was given to him for the seven weeks of evangelistic services in Altoona. Spiritually the campaign has been a tremendous success. Not only have more than 6500 persons hit the trail, but there has been a religious reawakening throughout the whole city.

At the women's meetings Saturday 1929 confessed Christ. The campaign ends today, the night meeting being for the trail hikers.

TO DECLARE WAR ZONE

Austria to Follow Germany in the Treatment of Shipping.

Geneva, via Paris, Feb. 22.—Austria will follow Germany's lead in its treatment of neutral shipping in the Adriatic, although possessing few submarines, says a dispatch from Innsbruck.

It is reported in Geneva that Emperor William of Germany and Emperor Francis Joseph of Austria-Hungary, with their staffs will soon hold a conference at some town near the frontier between the two countries. The rulers have not met since the war began.

Man's Body Found on Mountain.
Shenandoah, Pa., Feb. 22.—The body found on the mountain north of Girardville was identified as that of Stacey Wynock, thirty-five years old, with a wife living at Raven Run. His skull was fractured and his left leg broken. It is believed he was murdered.

Convicts Give Minstrel Show.
Leavenworth, Kan., Feb. 22.—Fifty-five unguarded prisoners from the federal military prison came into town on an electric car, marched to a theater, headed by a band, and gave a minstrel performance. They returned with not a man missing.

White Man Lynched.
Pleasant Hill, Mo., Feb. 22.—A white man, believed to be W. F. Williams, of Hot Springs, Ark., who took part in a pistol battle in which a policeman and an unidentified man were killed, was taken from the jail here and lynched by a mob.

DOUBLE CRIME ON FARM

Jealousy May Have Prompted Killing of Man and Wife.

Morristown, N. J., Feb. 22.—What is believed to have been the crime of a jealous woman was discovered when Patrick Pillion, employed on the estate of Dr. Alexander C. Humphreys, president of Stevens Institute, on Normandy Heights, went to the farm house on the place and found the bodies of Harold Losse, Dr. Humphreys' florist, and Vera Losse, his wife.

The two bodies were lying on the kitchen floor, each in a pool of blood. Between them lay a 32-caliber pistol, and at one side was a blackjack made of a section of rubber lawn hose filled with shot.

Losse had a bullet hole in the back of his head and his wife had a bullet wound under her right ear, and her face bore marks of having been struck by the blackjack, which bore blood stains.

The county officials began an investigation that revealed the fact that Losse and his wife had not been living together for about six months. The woman was of Hungarian birth and her husband was an American.

U. OF P. DEDICATES EVANS DENTAL SCHOOL

Many Degrees Are Conferred at the Exercises.

Philadelphia, Feb. 22.—Prominent dentists from England, France, Germany and all parts of the United States were present today at the formal dedication of the Thomas W. Evans Museum and Dental Institute of the University of Pennsylvania, the finest equipped institution of its kind in the world.

Speakers at the dedicatory services were Dr. Charles Godon, of Paris; John Howard Mumme, of London; Dr. Edward C. Kirk, dean of the dental school of the University of Pennsylvania, and Edgar Fahs Smith, provost of the University of Pennsylvania.

The University of Pennsylvania conferred eleven honorary degrees at the exercises. John T. Windrim, the architect of the new building, received the degree of master of science in architecture. Dr. E. C. Kirk, John G. Johnson and Dr. Edwin T. Darby received the degree of doctor of laws.

A degree of doctor of science was conferred on the following eight men: William Simon, Truman Williams Brophy, Edward Hartley Angle, Eugene Solomon Talbot, John Howard Mumme, Edouard Charles Godon, Wilhelm Dieck, Greene Vardiman Black.

The new building cost approximately \$1,000,000. It is designed in the Gothic style of the period of Henry VIII., and covers a plot of 200 by 300 feet, on the site of the old Evans homestead, at Fortieth and Spruce streets.

Displayed in the building is an exhibition of jewelry collected by Dr. Evans, and which is valued at more than \$75,000. Included are many mementoes gathered in France before, during and after the revolution.

Doctor Evans also provided in his will for the education of deserving young men who wished to learn dentistry. It was stipulated that the applicants must be natives of Pennsylvania.

BLIND PAIR GET \$500,000

Long Poor, Inherit Fortune Left by Husband's Forgotten Brother.

Wilmington, N. C., Feb. 22.—"Blind" Johnson and his blind wife, having lived for years in comparative poverty in a New Bern, N. C., hut, have come into wealth estimated at more than \$500,000 by reason of Johnson's brother's death on the east coast of Florida, near St. Augustine.

Long separated from each other, the brothers did not know of each other's whereabouts, having parted at the little central Carolina home years ago.

George went to Florida and started in the orange growing business and grew rich, while John met with an accident and lost his eyesight.

He sold newspapers in New Bern for years. While there he met and loved a blind woman and they married. Though they have managed to barely exist for ten years or more, they will now live in luxury on the Florida orange plantation.

Alleged Murderer Arrested.

Middletown, N. Y., Feb. 22.—Carmini Lori was arrested here for the Philadelphia police, who alleged that on Dec. 6, 1913, he stabbed and killed Dominic Denton at 1341 Grove street, Philadelphia during a quarrel. Lori admits that he is the man wanted and says he did the stabbing in self-defense.

418 More Coke Ovens Put In Blast.
Connellsville, Pa., Feb. 22.—Continued improvement in the coke industry was manifested when orders were issued by the H. C. Frick Coke company placing 418 additional ovens in blast. This brings the total of idle ovens fired during the month of February to 3773.

Mad Goat Kills Its Kids.
Hazleton, Pa., Feb. 22.—Bitten by a mad dog last year, a nanny goat belonging to Frank German, of Hazleton Heights, killed its two kids, attacked the German family and had to be shot by the Hazleton police.

HOVERTER TALKS; SIX IMPLICATED

Arrests in Bank Scandal Expected This Week.

Lebanon, Pa., Feb. 22.—Arthur J. Hovert, the Lebanon insurance agent, who is in jail here, charged with aiding and abetting Alvin Binmer to misappropriate the funds of the First National bank of Schaefferstown, has made a clean breast of his entire dealings with the institution previous to the suicide of Cashier Binmer.

Hovert's statement is in the hands of the United States district attorney at Scranton, and at least six arrests will be made this week.

It is now known that Hovert was virtually pumped dry last Friday when Bank Examiner Joseph M. Logan and an unknown representative of the United States department of justice visited the jail, and it is learned from equally reliable sources that information are now being prepared at Scranton, to be filed with United States Commissioner Schools.

The names mentioned in connection with the proposed arrests do not stop with the Schaefferstown bank, but include the names of officials prominent in other banks, where it is known that Hovert's notes were first discounted before being unloaded at the Schaefferstown bank.

That this week will bring some sensational developments is predicted by persons who are conversant with what is developing in the case.

WOMAN KILLED BY AUTO

Lancaster Widow Stepped In Front of Motor and Had Skull Crushed.

Lancaster, Pa., Feb. 22.—Falling to notice an automobile's approach, Mrs. Catherine McKelvey, forty years old, widow of Charles S. McKelvey, lost her life.

As the car of Mervin S. Myers, of West Willow, the owner, accompanied by his brother, Arthur, a Dickinson college student, was rounding a corner, Mrs. McKelvey stepped in front of it from the sidewalk and was knocked down and dragged several yards. Her skull was crushed and she died in the ambulance on the way to a hospital.

Fifty Years a Minister.

Catasauqua, Pa., Feb. 22.—The fiftieth anniversary as a minister of the gospel was celebrated by Rev. John G. M. Swengel, pastor of Emanuel Evangelical church, the oldest member of East Penn conference, which will hold its annual session in Reading next week, in accordance with the desire of the veteran preacher, his golden jubilee was of the simplest character.

Priests Held For Ransom.

Washington, Feb. 22.—All the native Roman Catholic clergy in Mexico City are being held for \$50,000 ransom, official advices from diplomats in the Mexican capital say, and the only priests exempted are those of foreign nationality, who have been ordered to leave the country.

RUSSIANS CHECK GERMAN DRIVE

Claim Advance on Warsaw Has Been Halted.

CZAR TAKES OFFENSIVE

Dispatch From Front Says Kaiser's Troops Have Undergone Important Defeat and Are Retreating.

Petrograd, Feb. 22.—Germany's attempt to get to Warsaw from the north has been checked, and the Russians are now attempting to regain the offensive.

Turning against the enemy on the right banks of the Bzura and Murew rivers, the Russians met the Germans in the region of the strong fortress of Ossowetz, twenty-nine miles north-east of Lomza, halted them after inflicting serious losses upon them, the actions, according to the official reports, taking the nature of counter attacks.

The checking of this drive toward Warsaw is of supreme importance to the Russians, as it preserves for them their railway communications and relieves the big fortified towns from the menace of capture or investment.

Warsaw itself, it is believed, has been in less danger of capture from this direction than it was from the unsuccessful attempt made by Field Marshal von Hindenburg from the west, for the route from the north is barred by the great fortress of Novo Georgievsk, reputed to be the strongest in the world.

The Russian official statement does no more than indicate the full extent of the Russian victory in this region. A telegram from the Russian general staff indicates that the Germans were badly beaten, being forced to begin a retreat to the East Prussian border after having suffered heavy losses.

On all the rest of the Polish front there has been only desultory and half hearted attacks by the enemy, all of which were thrown back without difficulty. In the Carpathians, however, the fighting has again been of a severe nature. Especially tenacious and obstinate attacks were made near Yasiokni and Mezolaboroz and between Duka pass and Mount Wyszok. A fierce bayonet attack succeeded in regaining for the Russians the heights northwest of Senezow, while advances were made in the region of Klossow.

The fighting around the fortress of Przemyel is now proceeding more vigorously, the Russians being reported as having put their heaviest siege artillery in position. Two sorties of the garrison were repulsed after the Austrians had suffered grave losses.

Nothing New, Says Berlin.
Berlin, Feb. 22.—The following statement was given out at the army headquarters:

"No actual changes have occurred in the district northwest of Grodno, North of Ossowetz, southeast of Kolno, and on the front between Prasnysz and the Vistula east of Plock, the battles are taking their course."

"There is nothing new from Poland south of the Vistula."

BIGGEST TRADE BALANCE
New High Record Made With Total of \$145,536,103 in January.

Washington, Feb. 22.—The trade balance as shown by excess of exports over imports touched a new high mark in the history of the country last month, with a total of \$145,536,103, according to complete figures for January, given out by the department of commerce.

Exports for January were \$267,812,370, against \$204,066,503 a year ago, and imports were \$122,266,267, against \$151,742,923 in January, 1914. Gold imports last month were \$4,886,398, against \$10,442,373 a year ago, while gold export was \$691,509, against \$6,914,056 in January, 1914.

Chairman Trustees Delaware College Declares Money Will Be Found.
Wilmington, Del., Feb. 22.—After Dr. Samuel Chiles Mitchell, the new president of Delaware college, had made a plea to the alumni association of the institution at the dinner in the Hotel Dupont for a Greater Delaware college, Henry B. Thompson, chairman of the committee of trustees, declared that the institution was going to raise a fund of \$1,000,000. He said he did not know how it was going to be raised, but it would be done.

Indiana Women May Vote.
Indianapolis, Feb. 22.—Limited suffrage for women was approved by the state senate here. The bill was made a party measure by the Democratic majority, and was adopted under suspension of the rules within five minutes after it was reported out of the committee. Only three voted against the measure, which is in line with the Illinois law.

Little Runner Scalded to Death.

As to Money.
To lose money is indeed often a crime; but to get it ill is a worse one, and to spend it ill is worst of all.—Ruskin.

He Was Honest.
A small colored boy stole some brass fittings from a building and was taken before the judge, who severely reprimanded him and bade him take back the stolen property. Turning to the officer the judge requested him to see that this was done, when the youngster broke out: "Dat's all right, jedge. Ise gwine to take 'em back, and yo' needn't send no cop wif me, for Ise hones, I is."—Chicagani Enquirer.

Work.
Man must work. That is as certain as the sun. But he may work grudgingly, or he may work gratefully; he may work as a man, or he may work as a machine. He cannot always choose his work, but he can do it in a generous temper and with an up-looking heart. There is no work so rude that he may not exalt it; there is no work so impressive that he may not breathe a soul into it; there is no work so dull that he may not enliven it.—Henry Giles.

INDIANS FIGHT MARSHAL'S MEN

Several Killed and Wounded on Both Sides.

WHITES FEAR A MASSACRE

Marshal and 200 Men Are Surrounded by Redskins in Canyon and Help Is Being Rushed to Them.

Salt Lake, Utah, Feb. 22.—Joe Aker and "San Juan" Billings, two of the best known cowboys of the "Four Corners" country, were killed, three of the posse were wounded, fire was taken prisoners, and the entire posse of 200 men, under United States Marshal Aquila Nebeker, of Utah, has been surrounded in Cow Canyon, in San Juan county.

The entire state of Utah is fearful lest the Piute Indians, who have taken the warpath, will massacre the white population of the San Juan country. Two unidentified Indians were killed in the running fight in Cow Canyon, and the news of the dire straits of the posse was brought to Grayson, Utah, by L. H. Redd, who succeeded in crawling along the brink of the Devil's Slide and made his escape.

The entire southern part of Utah and southwestern Colorado is terrorized, and cowboys, settlers, ranchers and miners are taking to the saddle to go to the relief of the forces of the marshal.

The Indian fighting started when Marshal Nebeker demanded the surrender of Tse-Na-Gat, the Indian fugitive, who killed a rancher in Colorado. His father, Old Polk, chief of the Piutes, refused to give him up and opened fire on the marshal's force.

The Indians, entrenched in the Box canyons and the gulches of the main canyon, sent a deadly fire into the posse, and when it attempted to retreat through the west end of the canyon to Bluff, Utah, the leaders discovered that they had been surrounded by 150 Piutes, who are armed with repeating rifles.

Redd half swam and half waded the San Juan river for a distance of over three miles and, taking the El Camino trail, was able to reach the Natural Bridge country, where he crept along the Devil's Slide to bring word of the surrounding of the posse.

The heavy snows along the Colorado-Utah line and in the canyon make it most trying for reinforcements to go to the aid of the posse. The nearest railroad point to Cow Canyon, which is thirty-two miles southeast of Bluff, is Thompson's Springs, Utah, a water hole in the desert. Bluff is 128 miles from Thompson's. Ranchers are assembling at Cortez, Colo., the end of the narrow gauge railroad.

The battle is being fought in the wildest part of the United States. The almost impassable canyon are in the heart of the "Mystery Land," where are found the caves of the cave-men and the remains of the cliff dwellers. No wagon roads lead to any part of the country, and all traveling must be done on horseback.

SHOOT TWO WOMEN DEAD

Salesman Also Wounds Self, But May Recover.

Newark, N. J., Feb. 2.—Miss Hattie Reeves, a stenographer, and Mrs. Mary Clark were shot and killed at the termination of a quarrel between Miss Reeves and Hiram E. Craig in Miss Reeves' apartment.

Craig is in the city hospital, with a bullet in his body, and may recover. The police assert that he shot the two women and then attempted suicide.

According to the police, Craig, a salesman, had been paying attention to Miss Reeves for some time and called at her apartment. He waited there, the police say, until she returned. A quarrel ensued.

Mrs. Clark, who lived on the floor below, heard shots and, running up stairs to investigate, was hit by a bullet and killed.

Pupils and Cattle Quarantined.

Easton, Pa., Feb. 22.—Schools have been closed and a public sale was postponed owing to the discovery of another outbreak of foot and mouth disease in Bethlehem township. State inspectors found the disease among a herd of cattle on the farm of Stewart Laubach, a public school teacher.

Defeat Sunday Base Ball Referendum.

Little Rock, Ark., Feb. 22.—The Arkansas house of representatives, by a vote of 56 to 26, defeated a bill which would have allowed Little Rock voters to decide whether base ball games should be permitted on Sunday afternoons.

House Bill Provides McKinley Coin.

Washington, Feb. 22.—A bill for the coinage of a McKinley souvenir silver dollar, in commemoration of the erection of a memorial to the late President McKinley, was introduced by Representative Ashbrook, of Ohio.

First Base Ball Death of Year.

St. Louis, Feb. 22.—Harry Gosz was struck in the side by a pitched ball during an amateur base ball game here and died a minute later. This is said to be the first fatal base ball accident of the year.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Thickness and Lustre at Once

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy", thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

The Indian fighting started when Marshal Nebeker demanded the surrender of Tse-Na-Gat, the Indian fugitive, who killed a rancher in Colorado. His father, Old Polk, chief of the Piutes, refused to give him up and opened fire on the marshal's force.

The Indians, entrenched in the Box canyons and the gulches of the main canyon, sent a deadly fire into the posse, and when it attempted to retreat through the west end of the canyon to Bluff, Utah, the leaders discovered that they had been surrounded by 150 Piutes, who are armed with repeating rifles.

Redd half swam and half waded the San Juan river for a distance of over three miles and, taking the El Camino trail, was able to reach the Natural Bridge country, where he crept along the Devil's Slide to bring word of the surrounding of the posse.

The heavy snows along the Colorado-Utah line and in the canyon make it most trying for reinforcements to go to the aid of the posse. The nearest railroad point to Cow Canyon, which is thirty-two miles southeast of Bluff, is Thompson's Springs, Utah, a water hole in the desert. Bluff is 128 miles from Thompson's. Ranchers are assembling at Cortez, Colo., the end of the narrow gauge railroad.

The battle is being fought in the wildest part of the United States. The almost impassable canyon are in the heart of the "Mystery Land," where are found the caves of the cave-men and the remains of the cliff dwellers. No wagon roads lead to any part of the country, and all traveling must be done on horseback.

SHOOT TWO WOMEN DEAD

Salesman Also Wounds Self, But May Recover.

Newark, N. J., Feb. 2.—Miss Hattie Reeves, a stenographer, and Mrs. Mary Clark were shot and killed at the termination of a quarrel between Miss Reeves and Hiram E. Craig in Miss Reeves' apartment.

Craig is in the city hospital, with a bullet in his body, and may recover. The police assert that he shot the two women and then attempted suicide.

According to the police, Craig, a salesman, had been paying attention to Miss Reeves for some time and called at her apartment. He waited there, the police say, until she returned. A quarrel ensued.

Mrs. Clark, who lived on the floor below, heard shots and, running up stairs to investigate, was hit by a bullet and killed.

Pupils and Cattle Quarantined.

Easton, Pa., Feb. 22.—Schools have been closed and a public sale was postponed owing to the discovery of another outbreak of foot and mouth disease in Bethlehem township. State inspectors found the disease among a herd of cattle on the farm of Stewart Laubach, a public school teacher.

Defeat Sunday Base Ball Referendum.

Little Rock, Ark., Feb. 22.—The Arkansas house of representatives, by a vote of 56 to 26, defeated a bill which would have allowed Little Rock voters to decide whether base ball games should be permitted on Sunday afternoons.

House Bill Provides McKinley Coin.

Washington, Feb. 22.—A bill for the coinage of a McKinley souvenir silver dollar, in commemoration of the erection of a memorial to the late President McKinley, was introduced by Representative Ashbrook, of Ohio.

First Base Ball Death of Year.

St. Louis, Feb. 22.—Harry Gosz was struck in the side by a pitched ball during an amateur base ball game here and died a minute later. This is said to be the first fatal base ball accident of the year.

Medical Advertising HELPFUL WORDS

From a Gettysburg Citizen.

Is your back lame and painful? Does it ache especially after exertion? Is there a soreness in the kidney region? These symptoms suggest weak kidneys. If so there is danger in delay. Weak kidneys are fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys. Your neighbors use and recommend them.

Read this Gettysburg testimony. Mrs. Annie Flaherty, 311 Washington St., Gettysburg, Pa., says: "I have used Doan's Kidney Pills during the past several years and am willing to tell of my experience for the benefit of other kidney sufferers. I had weak kidneys for a long time and was also subject to headaches and backaches. Doan's Kidney Pills have removed all these troubles. There is no better remedy for the kidneys."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Flaherty had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE AUTO-OILED WINDMILL

WITH DUPLICATE GEARS RUNNING IN OIL

Every bearing is constantly flooded with oil. Two quarts of oil in the gear case of this 8-foot auto-oiled windmill will keep the gears and every bearing flooded with oil for a year or more. The patented steel helmet covers the gears, keeps out rain, keeps out dust, keeps in oil. The mill never stops running. There is a windmill, known the world over as "the windmill which runs when all others stand still." This new windmill with gears and bearings flooded with oil runs in much less wind than that well known windmill. The two large gears, which lift the load straight up, are each independent of the other and each is driven by its own pinion on the main shaft and must take its full load at all times. The auto-oiled windmill will not stop running and will not need any oil for 30 years of service. Every 8-foot mill is tested under a pumping load of 3000 pounds on the pump rod. For the lower sizes the load is proportionately greater. We know that this is the most nearly perfect, best made, best tested, best oil, most nearly perfect, automatic and self-sufficient of any machine of any kind ever made for farm work and the most nearly fool-proof. There is no friction on any part of the full-fledged when the oil is running and very little when the wheel is still.

A small child can easily put this windmill on an automatic regulator can take care of it. One of these mills has been furling 16,000 times in one day by a man on our premises—more times than it would ordinarily be furling in 30 years of service. A band brake, of the automobile type, is used, and it always holds. The gear case contains two pairs of gears and the supply of oil. From this gear case the oil circulates to every bearing in a constant stream. It flows out through the friction washers in the hub of the wheel and is automatically returned to the gear case. Not a drop of oil can escape. It is used over and over. So long as there is any oil in the gear case the gears and every bearing will be flooded with oil. If you are tired of climbing a windmill tower; if you are tired of buying repairs and having them put on; or if you are tired of waiting for a big wind, let us furnish you an unbreakable, self-oiling, ever-going mill to go on any old tower. It costs but little and you will get the difference between no water in a light wind and an abundance of water in almost no wind. The flooding of all the working parts with oil, the perfect balance of the wheel and vane on the tower, the very small turntable on which the mill pivots and the outside furling device make this difference. Now there is no objection to a high tower. Have as high a tower as you need to get wind. You don't have to climb it. Your dealer can come once a year and put in oil, if needed, and inspect the mill. Running water purifies itself—carries away dirt, standing water, collects and retains impurities. If you pump from your well constantly all the water it can spare, the water that comes in to take its place will be pure. If the water in your well stands until you happen to want some, and you pump but little, then it is likely that surface water and dirt and bacteria will purify. The auto-oiled windmill is the one that has standing water. A flowing stream is the thing to be desired. The auto-oiled windmill makes all this possible as it can run on one year's end to the other with practically no wear and no cost. If interested, write Aeromotor Co., 1146 So. Campbell Ave., Chicago. Why not have standing water, cool in summer and warm in winter, always fresh and pure? It will cost next to nothing. It will give health to your family and stock. Let the water run into a good size reservoir and raise all the fish of the choice kind your family can eat, and have water to irrigate your garden and make it raise many times as much as it would otherwise. Water costs nothing. Use it. To let it stand is to abuse it.

My! But "Putnam's"
Eases Corn Agony

Not only ease for corns, not only
quick relief from the agonizing pain,
Putnam's does more; it roots the corn
out for all time. Lets you wear a
shapely boot again, takes that ugly
eye sore out of your toes,
No pain, no burnt flesh, no fussing
with acid salves or troublesome plas-
ters. No more monkey business. Just
use Putnam's and out comes the corn
and stays out too. Nearly 50 years in
use, costs a quarter, sold everywhere.

BUD FISHER

Famous Cartoonist, says:

"Tuxedo has made a pipe my favorite
form of smoking. Its coolness and
mildness make pipe smoking a real
pleasure."

Tuxedo Keeps You
in Good Humor

That jovial eye-twinkle you get
from following the adventures of
Bud Fisher's famous characters,
"Mutt and Jeff," has a twin-brother
joy-sensation. You'll find it in a
smoke of Tuxedo. Next time you feel that you want
the thrill of something real cheerful—light up some Tuxedo,
and watch the peaceful happiness begin to circulate through
your system. There's no saner, more wholesome joy than
that which Tuxedo gives you.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

You just look at the snappy, brainy,
cheery men in your own town that
smoke Tuxedo. It's the same way all
over the country—millions of Class A
Americans make Tuxedo their day-
by-day cheerful companion.

Smoke all you want of Tuxedo. It won't
bite or blister. The famous "Tuxedo Process"
has taken that all out. There's just simple,
creamy-smooth smoker's delight in mild, rich,
mellow, superb Tuxedo.
